MAY 26 – 31, 2024
DAEGU, KOREA, REPUBLIC OF

WELCOME MESSAGE

It is my great honor and pleasure to invite you to the 12th World Biomaterials Congress (WBC), which will be held in Daegu, South Korea, May 26 – 31, 2024. WBC is a world-wide highlighting event to provide with a fascinating opportunity, where the participating experts can gather and share the latest information and knowledge in the diverse areas of biomaterials research. The venue for the event, Daegu, is the third-largest city in Korea, rich in cultural heritage sites and blessed with beautiful nature. We are looking forward to seeing you all in WBC 2024 to celebrate this momentous period of knowledge and discovery in biomaterials science, and also to share an enjoyable and memorable moment in a historic city, Daegu, Korea.

ABOUT KOREA & DAEGU

Korea, the Country of Deep Tradition and Fast Growing Economy

Korea is a nation that boasts a fast growing economy and a lifestyle that perfectly combines the old and the new. Once known as "the Land of the Morning Calm", the peninsula now hardly rests, pulsating with life and commerce. In particular, Korea has a very advanced and modern infrastructure and is a world leader in information technology such as electronics, telecommunications, semiconductors, LCD displays, computers, cell phones and high-tech gadgets, led by global companies such as Samsung and LG.

Welcome to the Colorful City, Daegu

The city of Daegu is the center of traditional Korea culture with over thousand years of history. Located at the center of the three Kingdoms of Korea (Goguryeo, Baekje, and Shilla), the city of Daegu and the surrounding areas possess a rich history and an abundance of cultural heritage sites. The city is filled with cultural relics and UNESCO World Cultural Heritage Sites.
